

Privacy Policy

Personal Data

Personal data means any personal information (including: username, password, last name, first name, date of birth, email address or postal address) that the user may provide on the Site.

These data, whatever their nature, allow - directly or indirectly - the Château des Bondons restaurant Le Castel to identify, correspond and / or to better know the user. When the user provides personal data, he undertakes to answer the questions asked of him and / or to complete all the different fields of the forms provided for this purpose and to communicate in this context information accurate, up-to-date and not prejudicial to the interests or rights of third parties.

No personal data is collected without the consent of the user. The optional or obligatory nature of the information to be communicated to the Château des Bondons restaurant le Castel will be indicated beforehand. The user is under no obligation to transmit such data via the Website. However, in case of refusal, the Château des Bondons restaurant Le Castel will not be able to send the user information about his company, his activity and / or the Site.

The Château des Bondons restaurant le Castel is responsible for the collection and processing of personal data on the Site. Except when specific provisions for the processing of personal data are likely to apply, which will be systematically brought to the attention of the user, in particular by the general conditions applicable to online booking, at the online store of the Château des Bondons restaurant Le Castel, is the sole recipient of these data and will not communicate them to third parties. It is committed to respecting confidentiality and protecting this data. The user is however informed that the data concerning him may be communicated in whole or in part to the service providers of the Château des Bondons restaurant Le Castel intervening in the context of the management of the Site and bound by commitments of confidentiality and security.

The collection and processing of the personal data of the user thus carried out has been declared to the Commission National Informatique et Liberty (CNIL), in accordance with the provisions of French law no. 78-17 of January 6, 1978 relating to computers, files and freedoms.

The internet user has a right to access, modify, rectify and delete personal data about him collected and processed by the Castle of Bondons Restaurant le Castel. He can exercise this right at any time and at no cost by sending a letter to Château des Bondons Le Castel Restaurant 47/49 rue des Bondons 77260 La Ferté sous Jouarre, or an email to: castel@chateaudesbondons.com
